

EDUG-674 : Literacy Assessment and Intervention, K-12

This course provides an in-depth study of the theories, research, literacy assessments and instructional methods associated with literacy development K-12 and intervention to support students who struggle with literacy development. In addition, this course provides a practicum in which students have the opportunity to administer various literacy assessments, interpret data and plan appropriate interventions for a case-study student. Progress monitoring of student literacy growth and collaboration with parents and other teaching professionals will be an integral to the practicum experience.
