

EDUG-631 : Educational Research II

This second course in Educational Research is designed to provide the practicing teacher with a deeper understanding of the knowledge and methods used by investigators to conduct disciplined inquiry. It continues to be organized around classroom-based inquiry and focused on the development of teachers as researchers. The course includes consideration of concepts, research designs, and procedures from both quantitative and qualitative approaches. In this course, teacher-researchers conclude the process of conducting individual research. Pass/fail.
