

Faculty

Faculty who choose a career at Meredith embrace teaching, advising and mentoring as their highest professional priorities. Effectiveness in these roles also demands ongoing study, research and various forms of professional involvement. Throughout, professors model intellectual inquiry for students and bring the best of their disciplines to the curriculum.

Meredith faculty participate in the leadership of the college, serving on committees, writing grants and helping to envision and plan for growth and change. They serve the Triangle area community through a range of volunteer efforts.
